Theory Diagnostic Exam

This Music Theory Placement Diagnostic Exam is for placement purposes only. The music faculty will use this exam to place you in the appropriate section of music theory for you. The results will not affect your admission status or the amount of time it will take you to complete your major. You are to work on this exam alone. You may not use any outside aids, including text books, online resources, or other people. You should complete this exam using only information that you remember. In this instance, and throughout your academic career at Greenville College, we expect that you will adhere to the highest standards of academic honesty.

I affirm that I completed this exam by myself, without using any outside help, including text books, online resources, or other people.

Student Signature                           Date
